

# APPRENTICE NEWS

2015 Graduating class at the Hotel Murano.

### SCHOOL

There is a new starting time for all apprentices attending night school. The new hours will be **5:00 PM—9:00 PM**. The inside apprentices in years 3, 4, & 5 will be attending night school. There will not be any Saturday classes, but to make up the lost hours they will be attending classes on selected Monday nights. The school schedule has been mailed out and will be posted to the website.

### Electrical Contest

We had the 2 top graduates (James Lystad, Robert Williams) that expressed interest in participating in this years Western States Electrical

Contest in Alameda California on October 3rd. Since we are only allowed to have one participant, we had a run-off to see who would compete in the contest in Alameda California. We couldn't go wrong with either of them, but the winner of the run-off is James Lystad He will compete against graduates from JATC's from 9 western states.

### School Payment

We now accept credit/debit cards (VISA & MC) to make your books and tuition payments. There is a convenience fee that is added to the total if using a card.

### Monthly Work Reports

Want your raise on time? Be sure and submit your monthly OJT hours by the 10th of the following month. Failure to do so will delay your raise for at least 30 days. Don't throw your money away.

### Missed School

Make sure you make up your missed school hours to avoid any penalties. You hours must be made up within 90 days from the missed class date or before the start of the next semester if you're in day school, which ever comes first. For those that are night school, you have 90 days to make up the missed school hours from the missed class date.

## TRAINING DIRECTOR'S NEWS

**Changes at the JATC:** Night school will be for the inside apprentices in their 3rd, 4th, and 5th year for the 2015-1016 school year. Day school will be for the 1st and 2nd year inside apprentices. There will not be anymore Saturday classes. Instead, they will be attending a few selected Monday nights. This will give everyone the weekends off.

**CEU CLASS:** Washington State requires that out of the 24 hours of CEU needed to renew your license, WAC/RCW (4hrs) and Code Change (8hrs) must be included. If you are renewing an Oregon license you must have the Oregon Rule & Law (4hrs) included in the 24 hours need for them. WAC/RCW does not work for your Oregon license renewal.

**EEO:** If you know of a minority or female that would be an asset to the IBEW and NECA please have them apply. We are always looking for qualified minority applicants!!!
