## SOUTHWEST WASHINGTON ELECTRICAL JATC

### From the Director

#### WESTERN STATES CONTEST

20 YEARS after hosting for the first time, The SWWA JATC proudly welcomed the contestants, family and friends to the Western States Electrical Contest on September 7th. I would like to thank instructors Barry Blackburn, Steve Thompson and Krysta Riche for the time and effort spent designing each event. A BIG shout out to IBEW Local 76, SW NECA, RENEW 76, night instructors and apprentices who volunteered to help. We couldn't have done it without you!! Special thanks to Office Admin Kathy Damrau and my wife, Cindy Harper. They kept everything on track the days prior to, and the day of the event. Well done!
